EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Applicants traversed the restriction requirement dated 5/04/2006. However, in the amendment dated 1/30/2007, the Applicants implied their agreement with the Examiner's restriction requirement between the product and the process. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement between the product and the process, the election has been treated as an election without traverse for the purposes of allowance of the product claims.

The application has been amended as follows:

- Claims 19-37 have been cancelled.

Allowable Subject Matter

Claims 1, 4-5, and 8-18 are allowed.

I should be noted that claims 15-16 have been rejoined, examined, and allowed.
